It is with great pleasure and excitement that we announce that Jon Ashall and Murn Meyrick will be joining Executive Risk Insurance Services as of February 4.

Jon will be joining as Senior Vice President, Corporate Development. Murn will be our Senior Vice President, Corporate Counsel. While Jon will have specific underwriting responsibilities and Murn will manage all legal matters, both will work as a team (as they did at Willis) focused primarily on the identification and development of new corporate and product opportunities.

Jon holds a Bachelor Commerce from McGill and was most recently at Willis Canada where he led the Canadian Executive Risk Practice. Before joining Willis, he served in a similar capacity with Aon Canada. Jon began his career as an underwriter of executive risk products with AIG. Jon brings his superb reputation, industry, product, sales and marketing expertise to ERIS.

Murn holds an L.L.B. from U of T and is a member of the Law Society of Upper Canada. She brings 20 years of litigation and insurance claims experience in both private practice and in house with Zurich and Chubb. Most recently, at Willis, Murn worked closely with the Executive Risk Practice focused on serving clients with regards to the design and implementation of insurance programs and coverage, litigation management and the marketing of Willis' services. Murn is a well known speaker at insurance events, and is highly regarded for her extensive coverage and claims expertise. We are fortunate that she has chosen to join our company.

The hiring of Jon and Murn in addition to the underwriting leadership provided by Scott Saddington and his team, positions ERIS to compete, diversify and grow for many years to come.
