It is with great excitement that we announce the launch of our newest directors' and officers' insurance products:

- ERIS Side A Difference in Conditions (DIC) policy – designed to provide the foremost protection for the personal assets of directors and officers
- ERIS “TRUE” Follow Form Excess D&O policy – crafted as a true follow form wording to avoid gaps in large D&O placements

With the launch of these two new products, Executive Risk Insurance Services (*ERIS*) further demonstrates its position as the preeminent provider of innovative products designed to provide creative solutions for growing risks faced by companies and their boards of directors, officers and trustees. ERIS strives to move beyond the commodity approach and provide quality, well-rated products which deliver superior coverage and pricing for well-governed and managed risk.
